**YOUR OPTIONS**

Your lease expiration maybe approaching, you will soon be faced with making a choice between the following two options. For your benefit, each deserves careful and preferably advance consideration.

**A- Purchase the vehicle** - You may desire to do this upon lease expiration, however, it would be prudent to learn the true value of your vehicle before you purchase. You would not want to pay more than it is actually worth.

**B- Return the vehicle** - You may have entered into your lease as long as three years ago and may not remember or have questions about the terms and conditions of your lease agreement. Don't be caught by surprise with high mileage penalties and/or reconditioning charges. Take advantage of the lease review and vehicle assessment offer from Coconut Creek Hyundai.<sup>(4)</sup>

Regardless of where you leased your current vehicle, Coconut Creek Hyundai will completely take charge of your lease termination process and show you how to either maintain or possibly lower your existing payment while driving a brand new car.<sup>(3)(4)</sup> In order to take advantage of the special assistance and credits please **call 1-800-293-9919** to schedule your personal lease and vehicle evaluation.

Sincerely,
